Dear Sir

NOTIFICATION OF ACCEPTANCE OF THIRD PARTY CERTIFICATION BY MOD(UK)

1. I am pleased to inform you of MOD's acceptance of your certification to Quality Standard . . . ISO 9002-1987 by BSI Quality Assurance and that assessment by MOD is not required at this time to register your company's quality assurance status.
2. The products/services for which your registration applies are as follows:
The manufacture of polymer based metal repair and coating systems, elastomeric materials, sealants, concrete repair and screeding materials, non-slip safety grip systems, wood repair and coating system, fire retardant coatings, dewatering and anti-seizure compounds and speciality coating systems for providing waterproofing, weatherproofing, anti-corrosive protection, abrasion resistance, and chemical resistance to buildings and structures
3. The sites to which your MOD registration applies are:
Harrogate, North Yorkshire (main site) (CNAC 2B7B01)
. (supporting site) (CNAC)
. (supporting site) (CNAC)
. (supporting site) (CNAC)
4. The conditions of your registration are:
(a) That you maintain the certification detailed in paragraph 1 above and notify this office, of any changes to it, its loss, cancellation or withdrawal;
